Subject: April 21, 2019 Public Records Act Request

Dear Anonymous:

This letter further responds to your California Public Records Act request dated April 21, 2019. On May 1, 2019, you clarified that you intended your April 23, 2019 email to narrow your April 21, 2019 California Public Records Act request to just section 2, which, in brief, asked for California Public Records Act responses by Cal OES from January 1, 2018 to April 21, 2019.

As noted in Cal OES' May 1, 2019 letter to you, Cal OES is in possession of responsive documents. Cal OES will attempt to identify the documents, the amount of records, and any cost that may be associated with duplicating the records, and provide an update to you by June 10, 2019.

In addition, for clarification purposes, in both your April 23, 2019 and May 1, 2019 correspondence to Cal OES, you misstated the date of your original request as April 20, 2019. Please note that your California Public Records Act request was actually dated and received on April 21, 2019, Sunday, at 5:32 PM.

Should you have any questions, please contact me at [pra@caloes.ca.gov](mailto:pra@caloes.ca.gov), or (916) 845-8971.

Sincerely,
